Surface Area and Nets

Open the box flat. Add the areas of all the faces.

A box 4 by 2 by 3, opened flat (a net)

6 faces, in 3 matching pairs.

top and bottom: 2 × 8 = 16

front and back: 2 × 12 = 24

two sides: 2 × 6 = 12

16 + 24 + 12 = 52 sq cm

Surface area is square units (covering). Volume is cubic units (filling).
